HISTORY OF BRETHREN

SEAL BEACH IS WHERE IT ALL BEGAN

THE FIRST 1ST GRADE

THE CHOIR HAS GROWN THROUGH THE YEARS

GROWING, THE SCHOOL MOVED TO NORTH LONG BEACH

Dr. L. S. Bauman, famed prophetic teacher and Pastor of the First Brethren Church of Long Beach for 33 years, had the dream of Brethren Church Schools. It was left for his successor, Dr. Charles W. Mayes, to put the dream into reality. Beginning with 90 students in the first 8 grades, the school started using the facilities of the Seal Beach Brethren Church with Albert L. Flory as principal. For the opening of school the second year (1948), a building was constructed at 60th and Orange and a ninth grade was added. The third year (1949) saw the Jr. High and High School with grades 7 - 10 opening at the present facility while the elementary remained at 60th and Orange until 1961 when the Paramount Elementary School was built.

The 11th grade was added in 1950, 12th grade in 1951, and the first graduating class was the class of 1952. We have since graduated a total of 960 to which the class of 1972 will be added. Since this initial building dedicated in 1949, we added the wood shop in 1950, and north wing, housing rooms 9 - 11 in 1952, the print and auto shop building in 1953, the cafetorium and classrooms in 1955, the shower room and rooms 21 - 24 in 1961, the present gym facility in 1970, and the Board office in 1971. The highest enrollment in the history of the high school (460) was reached this year.

IMPROVEMENTS PRESENT AND FUTURE

Brethren Church Schools are on the threshold of a new and exciting era! Deeply enriched by its beginnings in 1947 and its historical growth through many hardships, our Christian school system is moving into a fantastic time of growth. We praise the Lord for making this possible! Already during the past year He has provided many improvements to our instructional program as well as in our buildings and grounds. Moreover, He has given us a sense of unity necessary to step out boldly in faith so that these things may be accomplished.

During the spring and summer of 1971, several improvements to the junior and senior high school facilities were initiated. Among these were the trimming of all the trees on campus and the building of planters around the trees on the south lawn to improve its appearance. During the summer, a Warrior Court was begun between the south and middle wings of the senior high school, and the hallways and doors were painted new and bright colors. The new bleachers were completed on October 7, the day of the Ambassador game. Football fans were happy to see the construction of a new student store concession stand located on the athletic field. New, three level lockers were installed in the hallways for the junior and senior high school students.

The most pronounced changes will be reflected in the new facilities master plan developed by the School Board to accommodate the anticipated growth in our student population over the next seven years. Initiating this plan is the new library and learning center which shall act as the hub of our instructional program. Activity areas in this new facility will include a research center, viewing center, listening center, browsing area, photo-copy area, book sales area, the stacks and a large service counter. Its facilities will be used to encourage students to develop their reading habits to the utmost.

In the meantime, we are praying for the establishment of new Christian elementary schools by the area Brethren churches. This will assure us the student population growth projected for

Artist's view of the library and learning center.

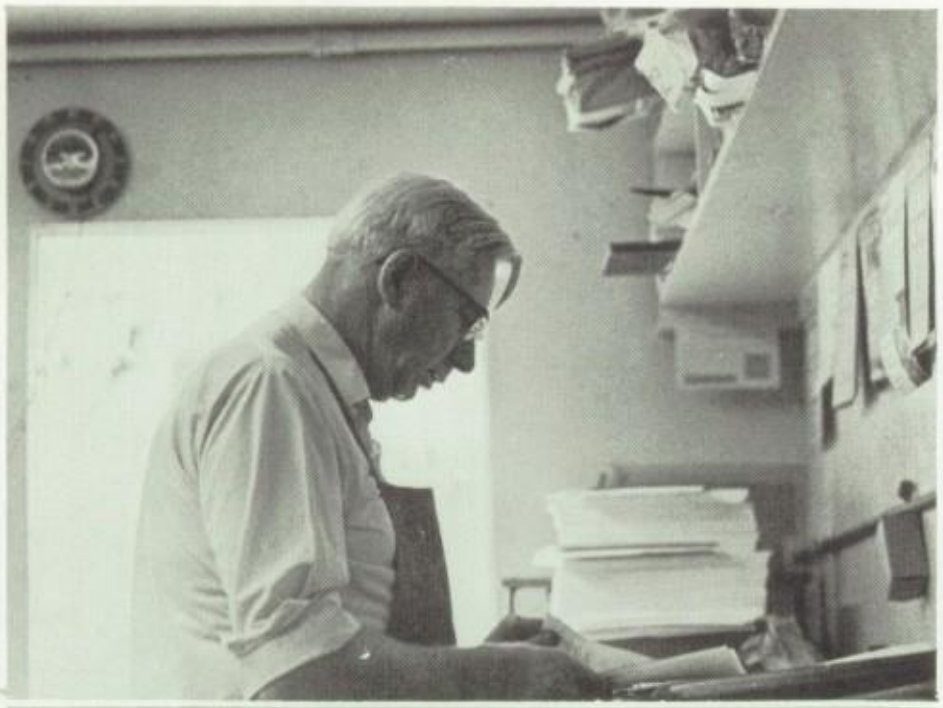
the future. The beginnings of a widespread transportation system are evident this year. Buses have been serviced to travel the highways efficiently. One of the key developments in the future growth of Brethren Church Schools, in addition to the facilities master plan, is an effective bus program.

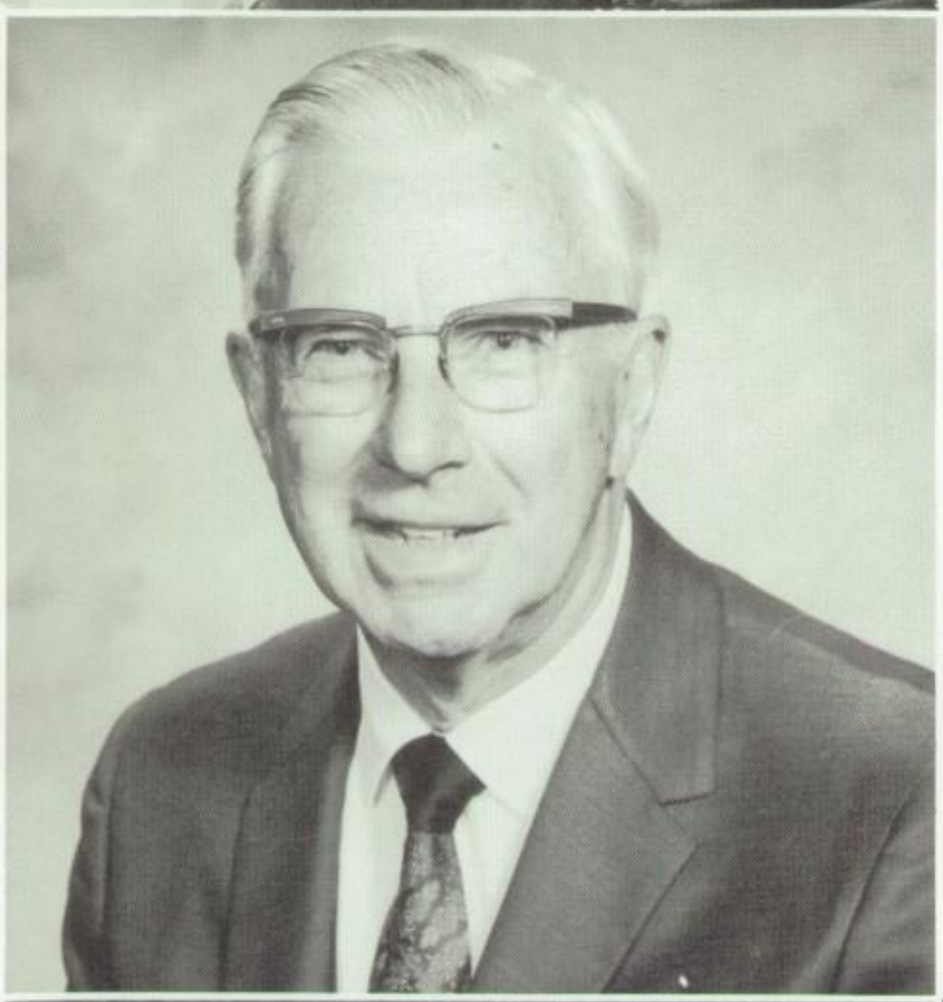
Teachers and administrators are working continually to upgrade the instructional program of our schools. Brethren Junior and Senior High School has officially received a five-year accreditation certificate from the Western Association of Schools and Colleges as a wonderful testimony on the quality of our educational program. The elementary schools are studying their programs and have adopted new science and social study series; this year their focus will be on Bible and the language arts.

We praise the Lord for touching our vision for the future in this way! Exciting days lie ahead! May He give us patience and the ability to discern each step in His time. May our schools serve as a wonderful testimony to the glory of our Lord and Savior.

Other building improvements will include twelve classrooms over our present three wings, a new high school office area, an industrial arts building, renovation of the auditorium building inside and out, a new student store, a teachers' work and fellowship area, an addition to our gymnasium building, a design for our athletic field, and improvements at the Long Beach and Paramount elementary schools.

The new bleachers are elevated, providing a better view.



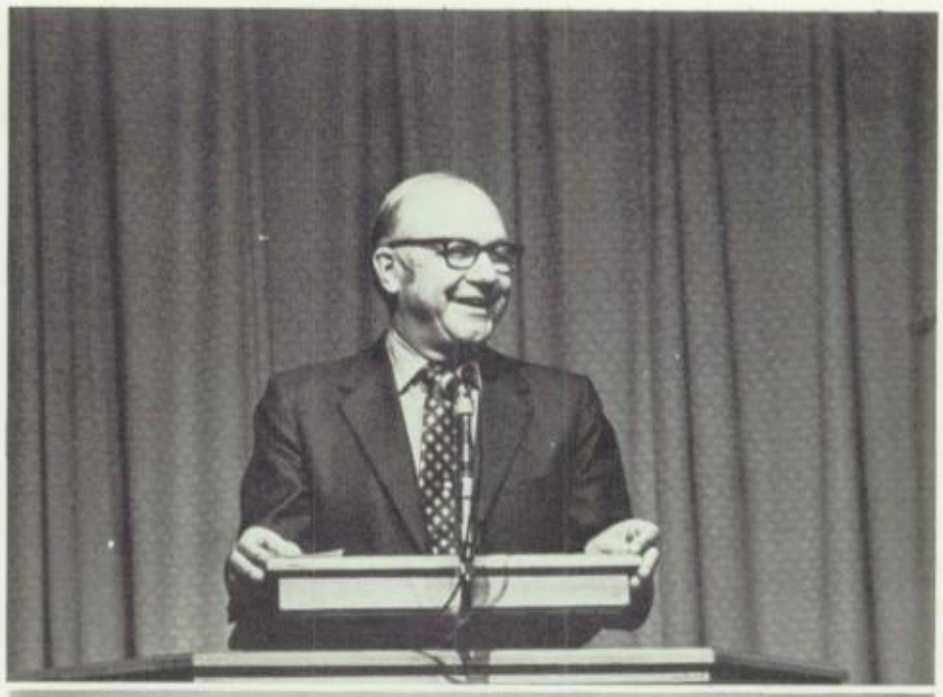


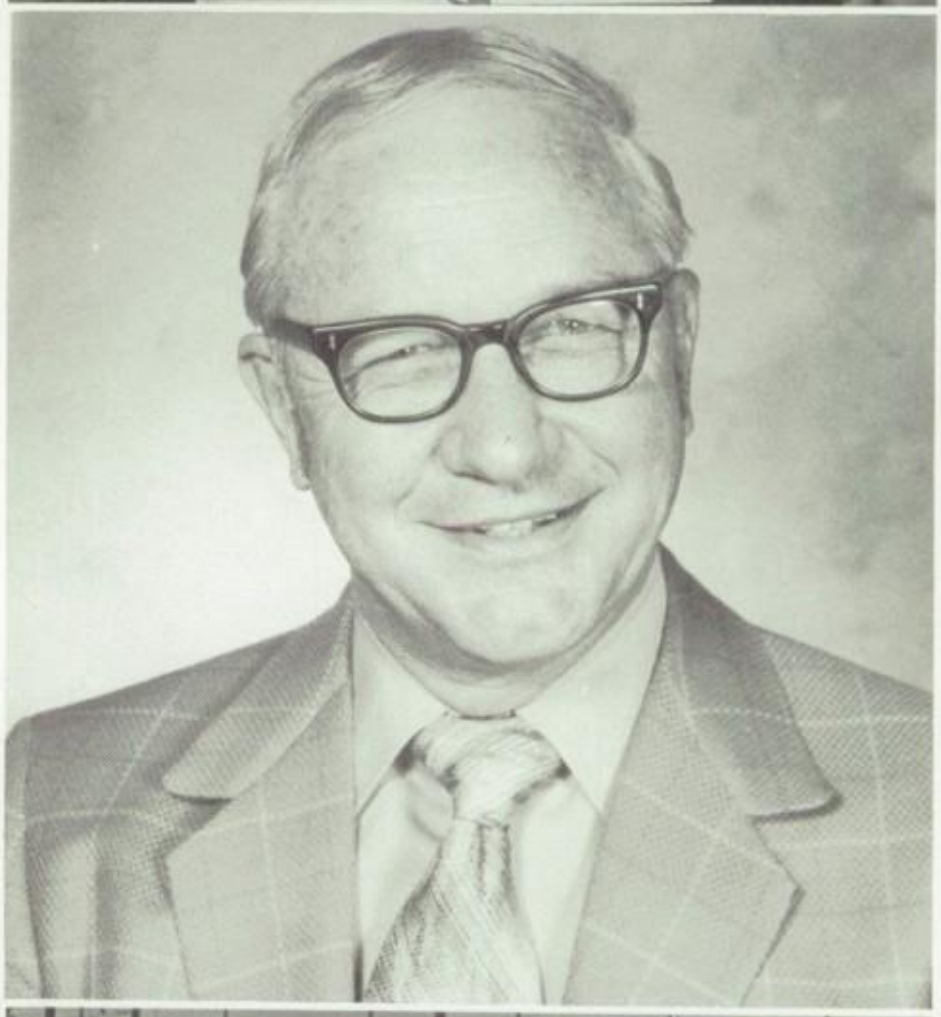
THIS YEAR TO

CHARLES W. MAYES

... a person who is wholly dedicated to the Lord. Someone who has given willingly of his time and talents to others. A man who has clearly shown his love for Christ. It was his goal to have a Christ-centered school, and to this end he devoted his life. With our thanks we dedicate this year's annual to Charles W. Mayes.

WE WISH REMEMBER . . .

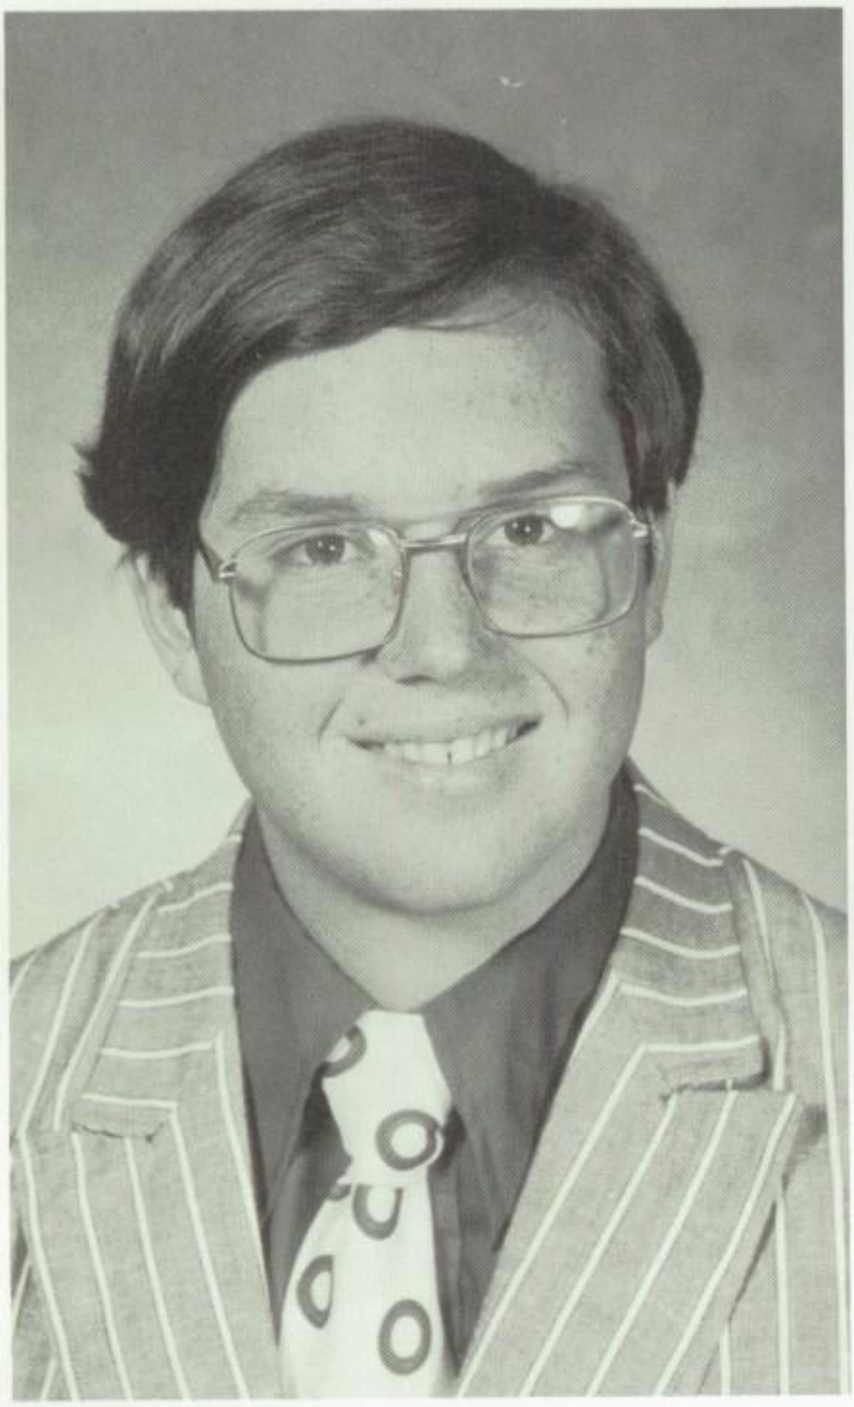




ALBERT L. FLORY

. . . a person who is always ready to help in time of need. Always concerned with the spiritual attitudes and accomplishments of students. A person who reflects Jesus Christ in whatever he is doing, and is never too busy to share Him with others. A person who felt so strongly the need for Christian education, that he initiated Brethren Schools. We thankfully dedicate this year's annual to Albert L. Flory.

ANNUAL EDITOR



The annual staff and I have felt greatly honored in our being able to have a memorable part of the 25th Anniversary Ambassador. May each page bring, "The Year to Remember, 1972", to your mind in years to come.

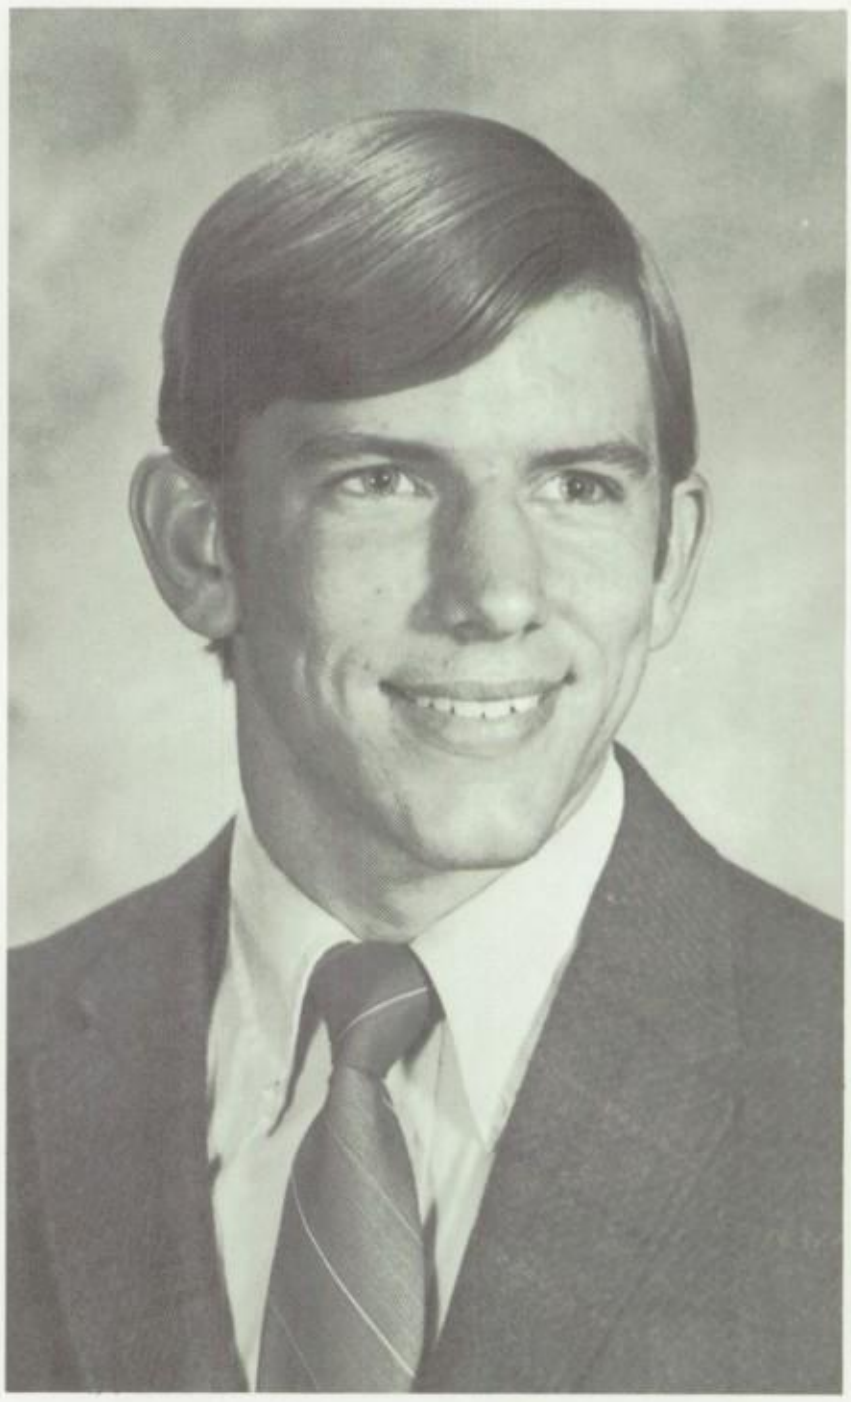
A.S.B. PRESIDENT



In looking at the school year as a whole, I must thank the Lord for the strength and guidance which He gave me. Without Him, there would be no reason for Bible Studies, and Prayer Days. In fact, without Him there would be no purpose for Brethren High School. Again I thank Him for everything and pray for His blessings upon everyone in future years. Ps. 150:6.

OUR BRETHREN

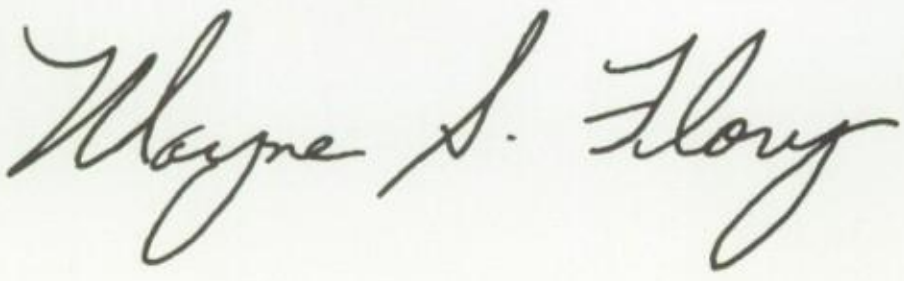
MR. LOU KOLOZE

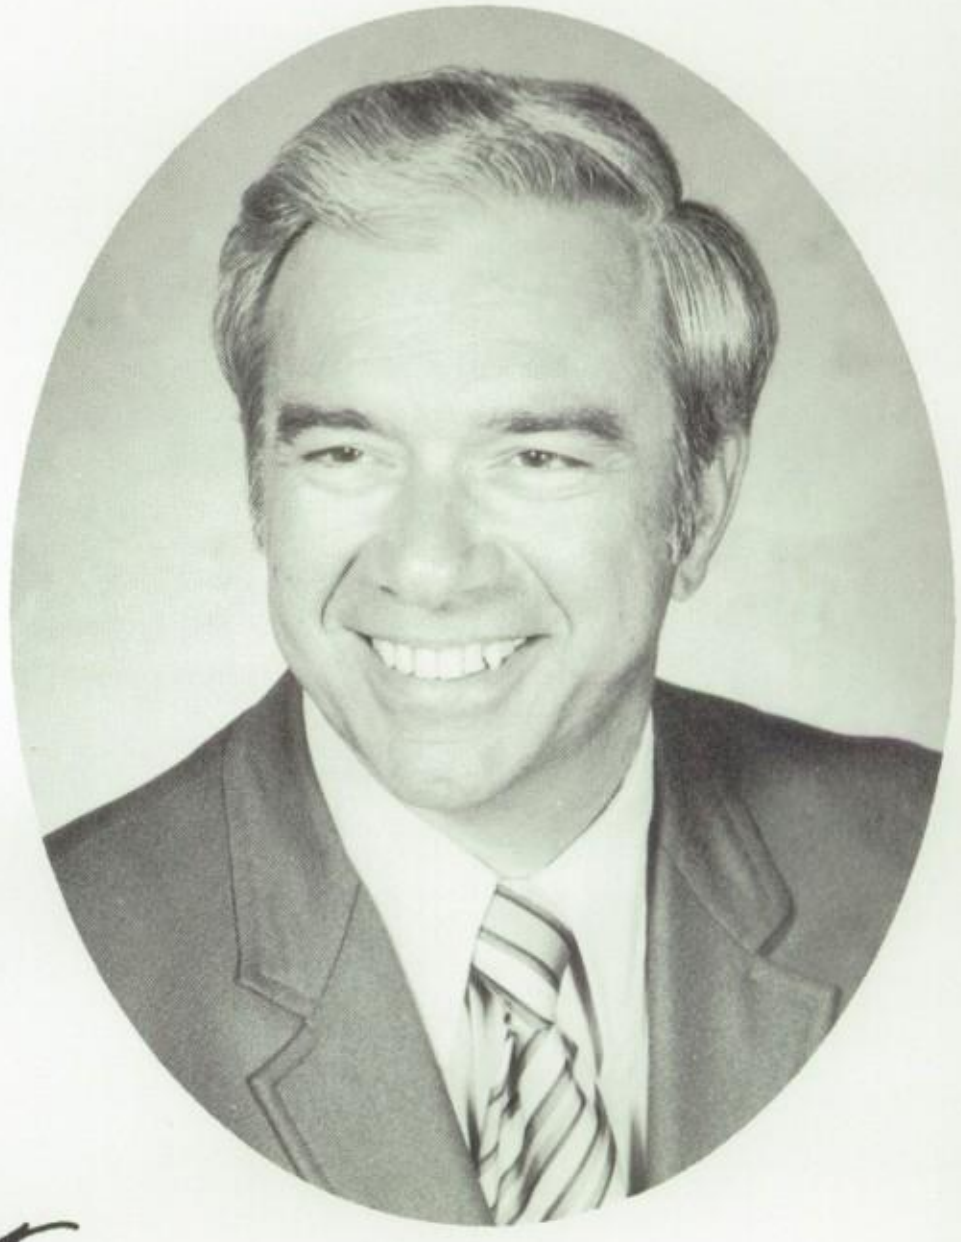
SUPERINTENDENT

We are very fortunate to be a part of God's school system here at Brethren! This brings everything we do into focus on the firm foundation of His Word. May we be ever mindful of His leading and power, and surrender completely to His Will.

The news media are filled with stories of speeches and actions which find their common source in the restlessness of the human spirit and the desperate need for inner peace. The Prophet Isaiah said, "The wicked are like the troubled sea, when it cannot rest . . . There is no peace, saith my God, to the wicked," Isaiah 57:20-21.

How satisfying it has been this year to be able to point concerned students to Christ, the Prince of Peace, who said, "Peace I leave with you, my peace I give unto you . . . Let not your heart be troubled, neither let it be afraid," John 14:27. Jesus Christ alone calms the troubled soul and brings peace.



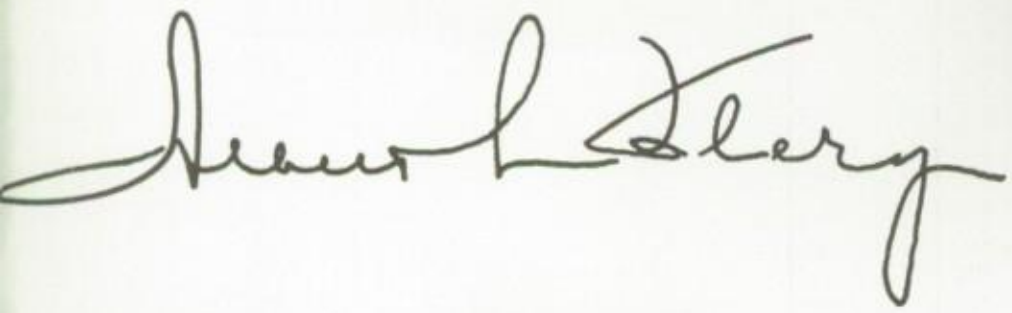


DR. WAYNE FLORY

CHAPLAIN

ADMINISTRATORS

An exciting year started with the report from Western Association of Secondary Schools and Colleges that we had been granted full accreditation for the five year period. Coupled with an increased enrollment in the Student Body, we have rejoiced over progress in many areas. Our student officers have taken over direction in a remarkable way. Some of our best athletic boys led us in spiritual growth. We also salute the entire class of 1972 for the standards of quality and spiritual leadership they have left us.



MR. ALBERT FLORY

PRINCIPAL

MR. PAUL VAN HOUTE

VICE PRINCIPAL

Brethren exists to help its students know more about the Lord who created us and died for us. It is wonderful to see the grace of God working in the lives of some of our students. We pray that each student will leave Brethren with a solid foundation of faith and knowledge on which he can build the rest of his life. God is faithful and just, able to keep all the promises of His Word giving each of us all we need to have peace in our hearts and to live lives of service to Him.

GIRLS' LEAGUE

The main goal of the Girls' League is to honor Christ in everything. We sought to do this as we welcomed the new girls into our school at the Get-Acquainted Party and honored our mothers at the Mother-Daughter Tea. Along with these activities, the Girls' League set up Child Evangelism Training Classes for senior high students who wished to serve Christ by working with children in Good News Clubs.

WINTER RETREAT

The 1971 Winter Retreat was held Oct. 29-31, at Tahquitz Pines. Wes Hardy conducted a most profitable question and answer discussion. The retreat provided a needed time of rest and fellowship that was enjoyed by all.

Brethren High School looks upon this year's varsity football team with a great deal of pride. Combining many hours of hard work in training and practice, good coaching and leadership, and with the Lord's help, the team captured the C.I.F. Championship for the second consecutive year.

The starting offensive backfield was voted All-League. With Les Pearsey at quarterback and Dennis McCardell and Everett Williams at running backs, a potent running and passing attack was established. The passing threat was also aided by Dan Beaver and Scott Penkoff at ends. John Gutierrez and Doug McLeish alternated at center and did a good job blocking. The offense, working together as a team, averaged 50 points per game.

The defense, experienced with five returning letterman, often made important plays in key situations. Randy Panting and Mike Wrigley made up the alert secondary. The front line was composed of Bill O'Quinn at middle guard and Greg Abner and Scott Penkoff at ends. Dennis McDowell, provided the strength up the middle at linebacker.

All players on the squad, whether starters or substitutes, were characterized in their play by great desire and extra efforts. Our congratulations to the 1971 C.I.F. Football Champions.

All-League

Coach Dan Cole discusses the game with the starters during a time out.

Warrior Basketball 1972 brought many new faces into the varsity picture. Seniors Doug Swagerty and Mark Curtis, and sophomore Les Pearsey were the only returnees from last year's varsity squad. The remaining nine players experienced varsity action for the first time this year. Accounting for Brethren's slow start in basketball was the fact that three of the starting five played on the C.I.F. Championship Football Team. But the Warriors were established in their winning ways by the time league competition began, finishing with an 11-1 league record.

Starting roles for the Warriors were filled by Doug Swagerty (All-League, Warrior M.V.P.), Les Pearsey (All-League, Warrior Most Inspirational), Everett Williams (All-League), Terry Ingwaldson (Warrior Most Improved) and Dan Beaver. Dennis McCardell, Randy Halberg, Dave Holcombe, Mark Curtis, Dave Holler, Mike Williams and Robert Young rounded out the team. Without them, the Academy League Championship and success in the C.I.F. Playoffs would not have been possible.

Brethren High can be proud of this year's team's accomplishments. Our sincere congratulations go to the varsity basketball team.

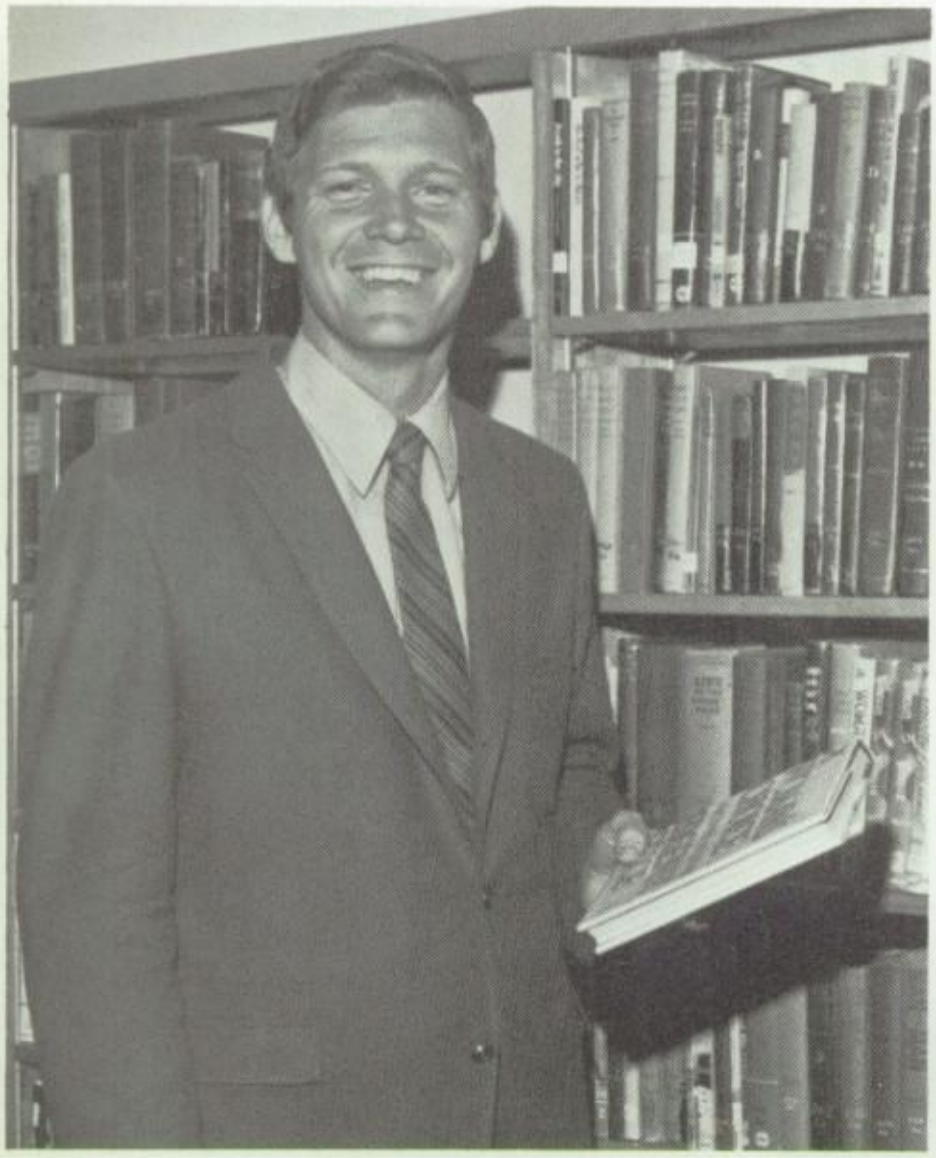
JR. HIGH SCHOOL PRINCIPAL



As always it was a real joy working with our seventh and eighth graders this year. The year passed so very quickly and we have seen much growth in many of our students.

In this class I have seen as much potential for serving the Lord as in any which has attended Brethren Junior High School. It is my prayer for each student that he matures into that individual the Lord desires him to be. I am sure as the years pass that these students will grow in wisdom and stature in both the eyes of God and of man. May the Lord richly bless each one of you as you live for Him.

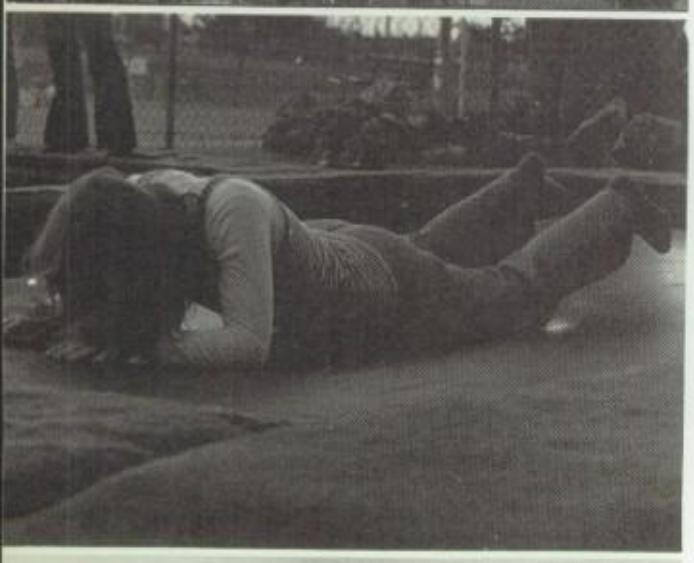
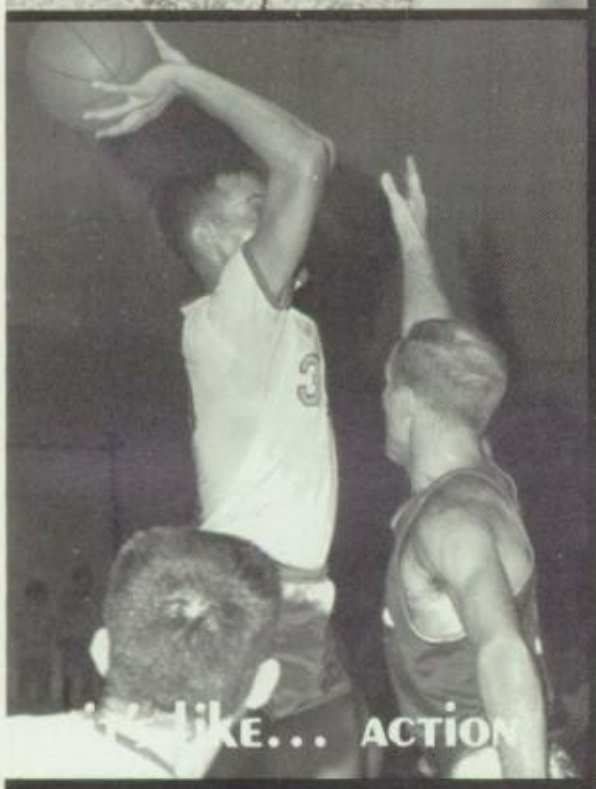
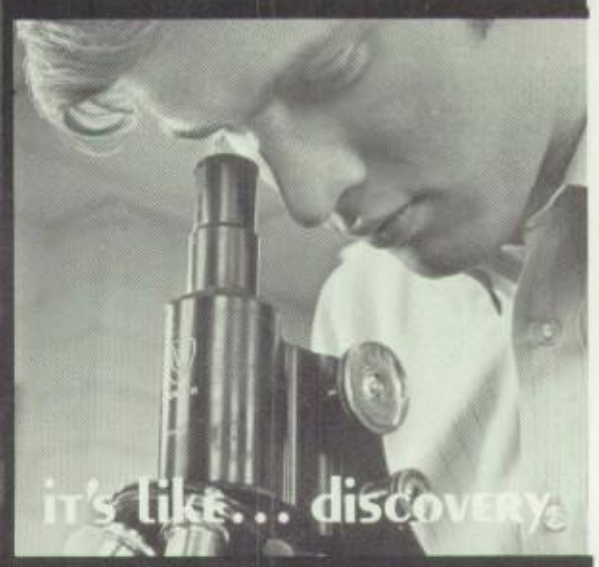
REMEMBERING

OUR SENIORS



What is John Brown University like?





it's like... everything!

It's as many varied interests and challenges as you want. Small classrooms make the teacher-student experience more meaningful. Sports . . . social opportunities . . . music . . . recreation . . . all abound in this uncommonly unique university.

Even the setting for this modern campus is in a delightfully scenic location among the rustic foothills of Arkansas.

A full university curriculum provides a quality education that is both meaningful and relevant for preparing today's student for tomorrow's world.

Experience it all for yourself. Write for a descriptive brochure.

THE YEAR TO REMEMBER

We hope you enjoy this annual
For that has been our aim,
As well as honor two fine men
From Brethren's Hall of Fame.

We've tried to retrace history
With pictures prose and rhyme,
And follow echoing footsteps
Through corridors of time...

This is "The Year to Remember"
In Brethren High's story,
A monument to faith and dreams...
To God be the glory!

So may this year's Ambassador
Be a special treasure,
That you will later reminisce
With pride and with pleasure...

And may it be a real keepsake
To enjoy through the years,
To cherish in your collection
Of Brethren souvenirs.
